

SMART FLOW

- HUMAN SENSING**
Detects human presence and adjusts airflow accordingly.
- VOICE CONTROL**
Control your air conditioner with voice commands.
- Wi-Fi CONTROL**
Control your air conditioner from anywhere using a smartphone app.
- FILTER MCK**
Monitor filter status and receive reminders for replacement.
- SOFTWARE UPDATE**
Keep your air conditioner software up-to-date for optimal performance.

DURABLE FLOW

- ANTI-CORROSION**
Protects your air conditioner from rust and corrosion.

COMFORT FLOW

- FAST COOLING**
Cools your room quickly and efficiently.
- 4-WAY FUTURE FLOW**
Distributes airflow evenly in four directions for better circulation.
- QUIET AIR**
Reduces noise levels for a peaceful sleeping environment.
- SLEEP CURVE**
Adjusts temperature automatically during sleep for optimal comfort.
- PRECISE TEMP CONTROL**
Maintains a consistent temperature throughout the day.

- STABLE OPERATION**
Ensures consistent performance and reliability.

ECO FLOW

- AI ECO**
Intelligent energy-saving mode that adjusts temperature based on room conditions.
- 3-STAR ENERGY-SAVING**
Meets high energy efficiency standards.
- SMART POWER LIMIT**
Prevents excessive power consumption for safety and cost savings.

- ANTI-CORROSION EVAPORATOR**
Prevents rust and extends the life of the evaporator coil.

HEALTHY FLOW

- PM2.5 FILTER**
Captures fine dust and allergens for cleaner air.
- SELF-CLEAN**
Prevents mold and bacteria growth on the coils.
- FILTER CLEANING REMINDER**
Notifies you when it's time to clean or replace the filter.

- 100% COPPER COIL**
Durable and efficient heat exchanger coils.
